Ghost Plugins

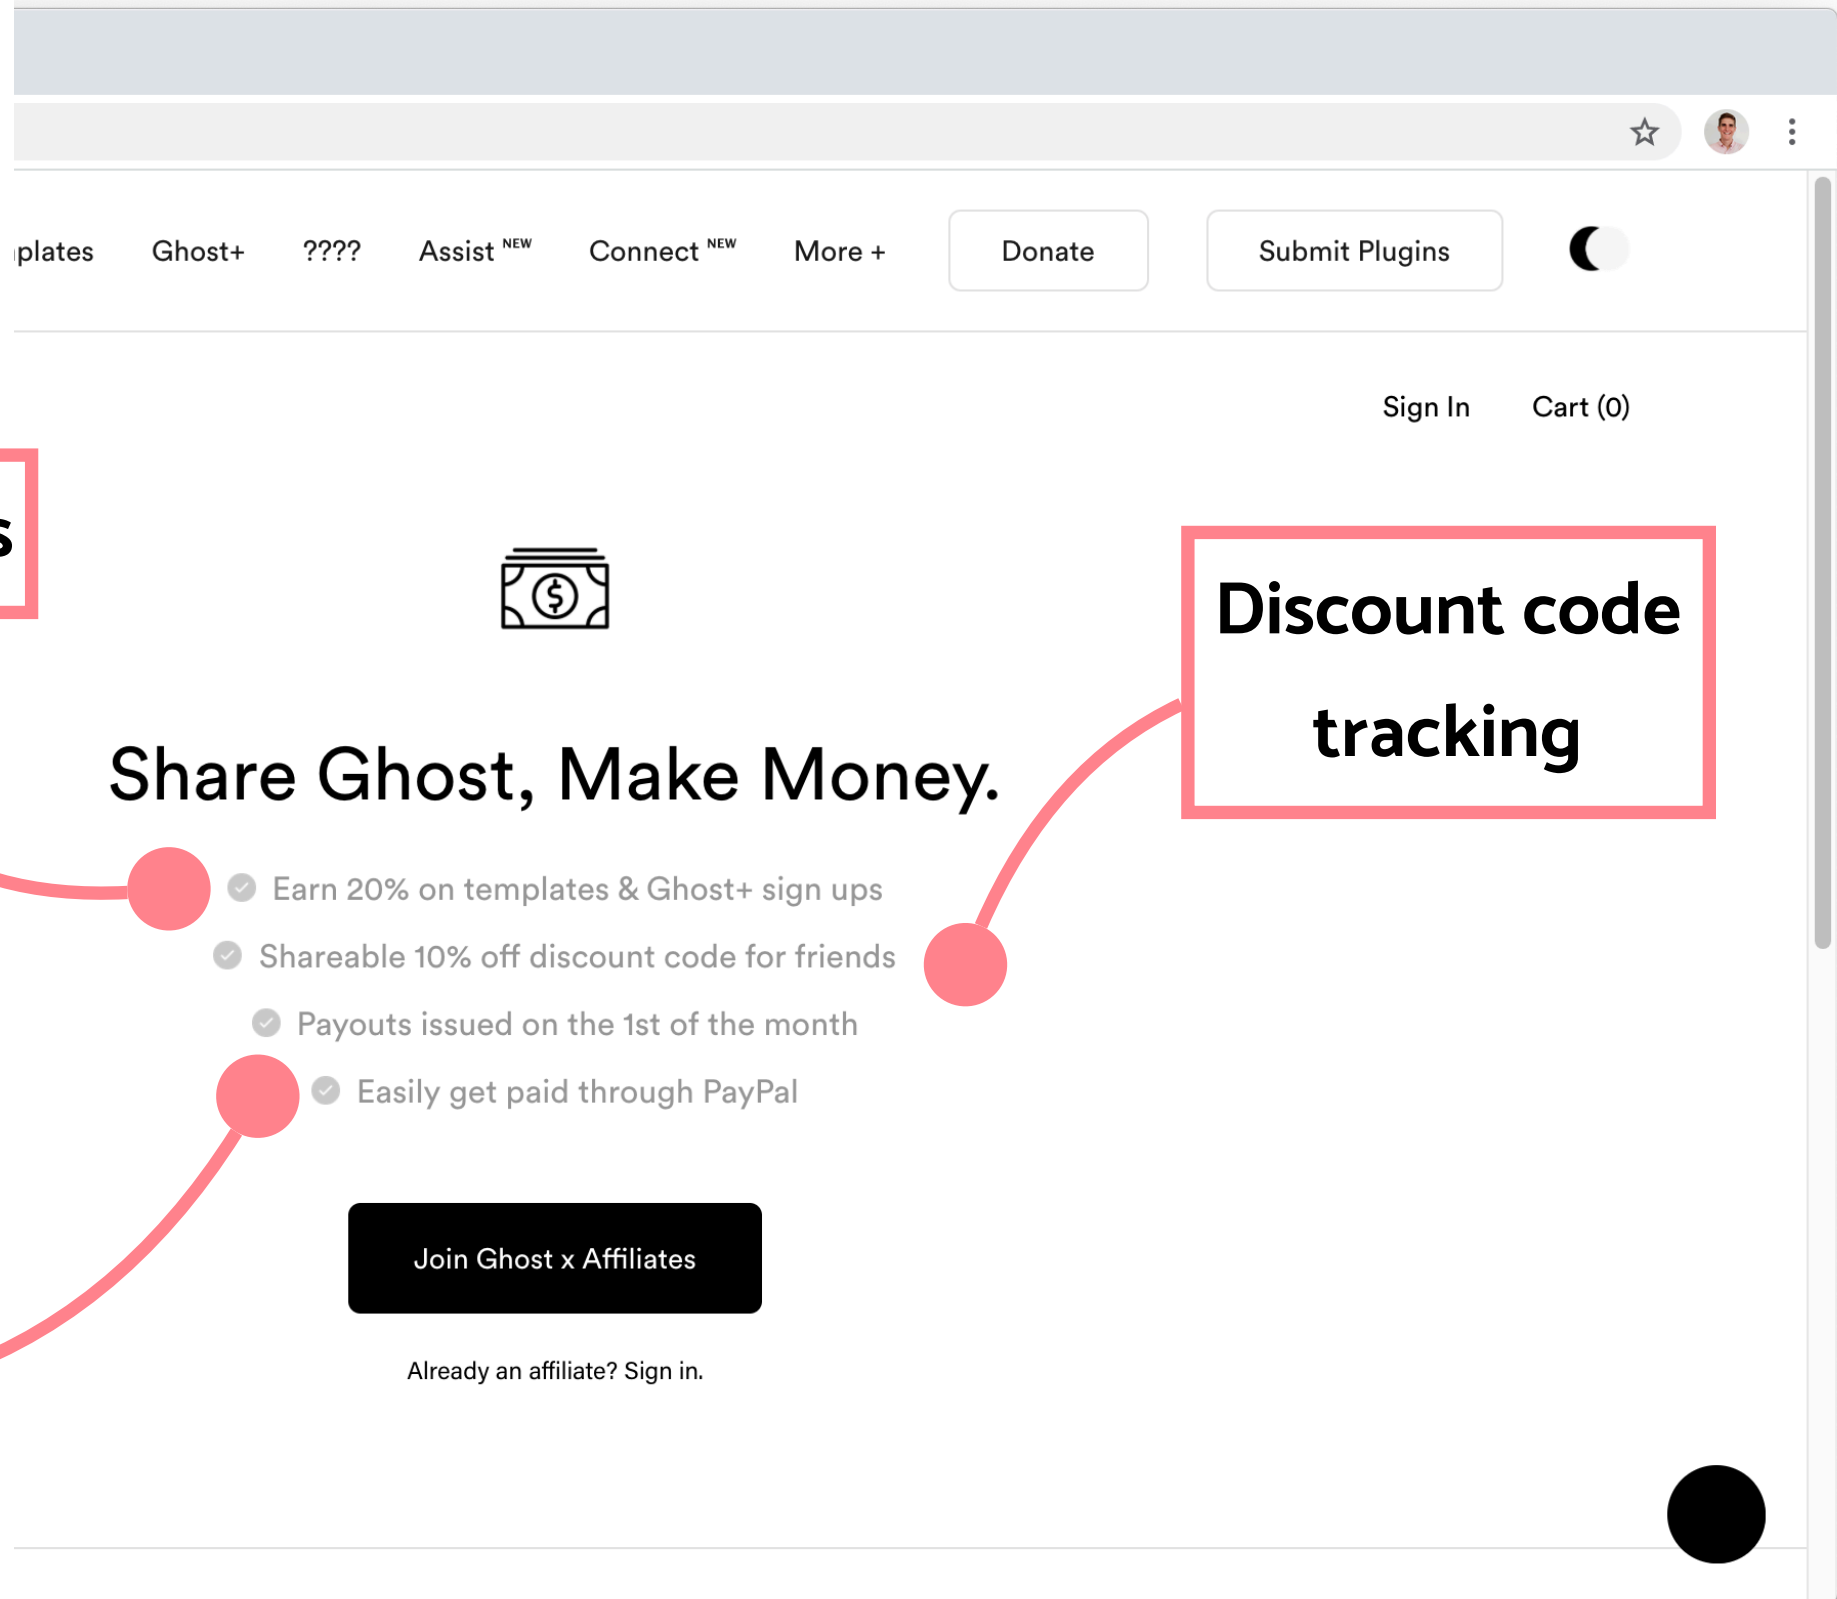

Ghost sells Squarespace plugins and templates.

They wanted to partner with affiliates to..

- grow their subscription service
- spread their free plugins

What we did

Peach's helped Ghost set up an advanced affiliate program that integrated seamlessly with their Squarespace online store.

The screenshot shows the Ghost website's affiliate program page. At the top, there is a navigation bar with links for 'plates', 'Ghost+', '????', 'Assist ^{NEW}', 'Connect ^{NEW}', and 'More +'. There are also buttons for 'Donate' and 'Submit Plugins', and a dark mode toggle. In the top right corner, there are links for 'Sign In' and 'Cart (0)'. The main content area features a stack of money icon, the heading 'Share Ghost, Make Money.', and a list of benefits: 'Earn 20% on templates & Ghost+ sign ups', 'Shareable 10% off discount code for friends', 'Payouts issued on the 1st of the month', and 'Easily get paid through PayPal'. A prominent black button labeled 'Join Ghost x Affiliates' is centered below the list, with a link 'Already an affiliate? Sign in.' underneath it. A large black circle is visible in the bottom right corner of the page.

Direct integration

Ghost Plugins wanted the affiliate program to feel seamless, so they used our customization tools and a light-box plugin to embed our dashboard on their site and match their brand.
